- Additional barns and storage, including a 75x50 hay/equipment barn and insulated storage

PROPERTY INFORMATION

DESCRIPTION

3P Ranch is a 75± acre equestrian property for sale in Lindale, Smith County, Texas. Built for serious horse operations, the ranch combines sandy loam soil, improved coastal hay pastures, and extensive pipe fencing with a well-appointed home and full set of equestrian facilities. The property is turnkey and ready for horses, livestock, or future development.

LOCATION

The ranch sits at 13288 County Road 4122 in Lindale, less than 90 miles east of Dallas and under 30 miles from Tyler. This East Texas location combines rural seclusion with easy access to schools, services, and regional markets.

IMPROVEMENTS

The main home, built in 2003, offers 3,016± square feet of ranch-style living. It includes three bedrooms, three and a half baths, a master suite with attached sitting room and office, custom Knotty Alder cabinetry, granite countertops, and stained concrete floors. A wraparound porch spans the house, and a three-car detached garage includes upstairs space that can be finished out. A Generac generator powers the entire home.

Equestrian facilities include a six-stall horse barn with wash rack, feed room, tack room, automatic fly system, fans, heaters, and Nelson automatic waterers. The barn also features a 16-foot concrete aisle and a four-horse electric walker. Supporting improvements include three pipe pens with drive-through access, a 20-acre mare pasture, and two 50-amp trailer hookups. Additional structures include a 75x50 hay and equipment barn, a 25x25 insulated storage room, and multiple pens and paddocks.

UTILITIES

The ranch operates on Lindale Rural Water and is supported by small ponds for livestock and wildlife. Underground utilities and a whole-house generator ensure reliable service throughout the property.

LAND & USE

The 75± acres feature sandy loam soil and improved coastal hay pastures, with about 35 acres dedicated as a hay meadow. Terrain is mostly flat with slight slope in the mare pasture, providing excellent grazing conditions. Extensive pipe fencing and cross-fencing divide the ranch into manageable sections for horses and livestock. The property also carries subdivision potential, adding long-term value and flexibility for future use.

REMARKS

3P Ranch combines a functional horse facility with a comfortable home and quality land in a strong East Texas location. With its equestrian improvements, hay production, and subdivision potential, the property offers a versatile opportunity for horse owners, ranchers, or investors looking for a well-rounded ranch in Smith County.
